

ALBERTA IS ON SALE.

“Most people get interested in stocks [or real estate] when everyone else is. The time to get interest is when no one else is. You can’t buy what is popular and do well.”

– Warren Buffet

We're at the beginning of another promising market cycle. Whether you think Alberta's economy will boom like the 2000's or grow steadily like the '80s and '90s, there is a gap between current real estate values and where trend lines point.
